

ABOUT VIT CHENNAI

Founded in 1984, VIT has made a mark in the field of higher education in India imparting quality education in a multi-cultural ambience, intertwined with extensive application-oriented research. VIT was established with the aim to provide quality higher education on par with International Standards. It persistently seeks and adopts innovative methods to improve the quality of higher education on a consistent basis. VIT was established by well-known educationalist and former parliamentarian, Dr. G. Viswanathan, Founder and Chancellor, a visionary who transformed VIT into a center of excellence in higher technical education. Govt. of India recognized VIT as an Institution of Eminence (IoE). MHRD, Govt of India ranked VIT as No.16 among the Engineering Institutions (NIRF-2025 ranking). VIT Chennai is ably spearheaded by Dr.G.Viswanathan, Chancellor, Mr. Sankar Viswanathan, Vice President, Dr. Sekhar Viswanathan, Vice President, Dr. G V Selvam, Vice President, Dr. V. S. Kanchana Bhaaskaran, Vice Chancellor and Dr. T. Thyagarajan, Pro-Vice Chancellor. They share in the mission to make VIT a global center towards academic and research excellence.

About the Conference

The main objective of this 5th International Conference on Robotics, Intelligent Automation and Control Technologies (RIACT 2026) is to provide a platform to global researchers and practitioners from both academic institutions and industries to meet and share cutting-edge developments in the areas of Robotics, Automation, Control Techniques and associated disciplines. This hybrid conference also provides an opportunity to exchange research evidence and innovative ideas.
